I P SHEPHERDS

**S**URESH. J is an Advocate and qualified Patent Attorney, having a long and rich techno-legal experience in the domain of Intellectual Property Rights. He is the founder of IP SHEPHERDS, specialising in providing techno-legal support to domestic and overseas clients, for the protection and enforcement of their IP rights. He has been associated with handling of inventions from diverse technical arts such as Electrical, Mechanical and Automotive Engineering. He has also been associated with handling of Patent Applications in the domain of Chemistry. He also provides legal support to the protection and enforcement of Trade Marks and Designs for both domestic and overseas clients. Suresh also handles IP litigation. He counsels clients extensively on intellectual property issues, particularly on framing of IPR policies, management and commercialization of IPRs. He has been a Legal Consultant in India for MNCs and advises them on various issues associated with transfer of technology. He also has an extensive expertise in handling IP portfolios of US, European, Japanese, Korean and Chinese companies and travelled extensively to these regions to advise and handle IP issues, more particularly he has been closely associated with Japanese Companies in managing their Patent Portfolios. He is a member of Asian Patent Attorneys Association (APAA) and actively participates in the meetings and deliberations of Licensing Executives Society (LES) in various countries. Suresh regularly delivers lectures on IP Laws and Practice in various organizations and Universities in India and abroad including National Law School of India University, Bangalore, Japanese Patent Office (JPO), Japanese Patent Attorneys Association (JPAA), Graduate Research Institute of Policy Studies (GRIPS) Tokyo, Japan, Kokusai Bunka Kaikan, Tokyo, Japanese Intellectual Property Association (JIPA) and Tsukuba University, Tokyo. He holds Graduate Degrees in Science and Law and Master Degrees in Law and Russian Literature.
